JANUARY NEWSLETTER 2019

"Over 100 years of fun"

**HAPPY NEW YEAR**

## FROM THE GENERAL MANAGER

Happy New Year! I hope everyone had a wonderful holiday season and enjoyed their time with friends and family. Our team is excited for what is in store for 2019 at the Club! We kicked off 2019 with our annual Mad Hatter Golf Tournament and I am sure there will be plenty of fun pictures to share next month for all the "crazies" that teed off at 11:19 am.

We are excited that the Board approved the renovation of the Tri-Brook Grill and there has been a dedicated committee working tirelessly on this project. We will be sending out a dedicated email in early January detailing the project scope along with timelines and processes. The renovation is anticipated to take place in early February and be completed by the end of March. During this time, we will be offering dining services upstairs in the View, while the Tri-Brook is closed.

I would like to remind everyone that the Club will be closed from January 2- 16. We will reopen fully on Thursday, January 17. During this time, our team will be performing some annual cleaning and maintenance tasks and taking some time for rest and relaxation. During this time, we will also begin some tasks that will be associated with the upcoming Tri-Brook Renovation. When we reopen, we will offer on the weekend a specialty tableside preparation. Event information can be found in the newsletter.

I wish everyone a very happy and prosperous 2019! Please continue to stop by my office, call, or email me with any questions, suggestions, or concerns. Our team looks forward to making 2019 an exciting year for our Members and we continue to work diligently on improving our services, programming, and operation.

Cheers,  
**Bret Garrison,**  
General Manager

# GOLF AT LEXINGTON

Below you'll find exciting events, important notes and more!

## FROM THE GOLF PRO

Happy New Year and welcome to the 2019 golf season!! I am so excited to kick off my first full year in Lexington with some exciting new events and activities around the club. Even though the weather is expected to be frigid this winter it gives us all a great opportunity to plan for some key events on the calendar. This calendar can be found by going to the LGCC website and clicking on the calendar button at the top of the page. Coming into this winter we will have our traditional events (Madhatter Jan. 1 & Jack Frost M/G on Feb. 9) but will also be holding a special USGA Rules of Golf seminar on January 30 that will go over all of the major changes in the game. In addition, we will be holding a St. Patty's Two-Person "6-6-6" tournament on March 16. So please take a minute and review the calendar and pencil in the dates and events that you would like to participate in. We are excited about the 2019 season and look forward to making it a joyful and memorable experience for everyone involved.

During the club closure dates of Jan 2-16 please contact the golf shop directly, 540-463-4141 to find out the status of the golf course and availability.

## FROM THE SUPERINTENDENT

We begin the New Year with hopes of more moderate temperatures and rainfall amounts. We will see! With all the rain events we have had over the last two months, the course has never had a chance to dry out. We will probably be restricted to cart paths more often than not for the next two months. Your help certainly is appreciated.

Depending on the weather we will be working inside on equipment (sharpening, oil changes, etc.) or outside on trees leaves and bunkers. We will be careful with the outside work to make sure we don't cause more damage than gain.

Good luck to all those playing in the Jack Frost and I look forward to seeing everyone on the course soon!

**Jeff Karlstrand, CGCS** Director of Agronomy

### FROM THE CHEF

At the beginning of the year, I'd like to express my thanks for all the members who make all of our jobs stimulating and more fulfilling. Thank you for being you. From all of us in the culinary department.

This year will be exciting with streamlining menus and improvements in the culinary department. While maintaining the utilization of local and seasonal items we will be producing more commodities in-house (i.e...dressings, stocks, sauces, desserts, etc....) The return of wine dinners and continuation of chef tables as well as pop up dinners are also being planned. I look forward to an exciting New Year and anticipate seeing you all.

From the Culinary Staff here at Lexington Golf and Country Club,

**Bunyan Fortune**  
Executive Chef
